

K-love Radio serves our local community by offering quality family music programming, as well as information on local family events and seminars on building strong families. If K-love is displaced by an LPFM broadcaster, it will most likely be replaced by another pop station pumping messages of moral decay into our youth. K-love is a listener-supported radio station that has also brought help & hope to those in despair through a pastoral staff of trained professionals. It would be a tragedy in the public interest if this station were no longer available to everyone in our community. PLEASE DO NOT LET LPFM STATIONS FORCE K-LOVE OFF THE AIR BY GIVING THEM A PRIORITY OVER FM TRANSLATOR SERVICES. THANK YOU!!
